

OASIS **BEACH VOLLEYBALL CLUB**

OFFICIAL OASIS RULE BOOK

A MESSAGE TO THE PLAYERS

Welcome to The Sports Village and The Oasis Beach Volleyball Club!

The Oasis Beach Volleyball Club is a co-ed adult recreational beach volleyball league. It has been designed to emphasize sportsmanship, mutual respect, fair play, and parity for all players. Every effort has been made to ensure that the Oasis league is fun. We encourage Team Representatives to work with our staff to ensure these objectives are met. In this way, we can be responsive to the needs of all of the players in providing a satisfying recreational experience while improving the quality of play. This pocket edition Rule Book is another step in meeting our objectives. Our Rules are the same as the F.I.V.B., as endorsed by them. In a few instances, these rules have been modified to suit the needs of the Oasis Beach Volleyball League and it is for this reason that we are publishing our Rules for all participants. At the end of the season, we evaluate our Rules, and your feedback is welcome. Any modifications to the Rules will be published in subsequent editions of this Rule Book.

Have a great season and thank you again for your participation in The Oasis Beach Volleyball Club.

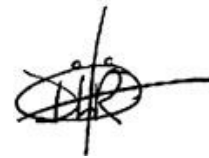

Yours sincerely,

Any displays of drunkenness, on or off the court, will result in suspension from the league and forfeiture of any deposits or payments made. Alcoholic beverages are not permitted on the courts; but are permitted within the fenced in areas surrounding the courts. Any team caught with alcohol in unlicensed areas of the facility may be suspended and could forfeit payments made for the league season. There are designated licensed patio areas where those wishing to consume alcohol are permitted. All Food & Beverages must be purchased from The Sports Village – outside Food & Beverages are forbidden.

1.2 Smoking

There is a no smoking policy at The Sports Village. This includes the dressing rooms, the restaurant and common areas. Smoking is allowed outside of the building; however due to safety reasons and for the consideration of other participants, there is no smoking allowed on the courts and surrounding fenced in areas.

1.3 Weather

The Sports Village will not cancel any beach volleyball games due to weather conditions prior to any game time. In the event of severe inclement weather The Oasis Beach

Volleyball Coordinator has the authority to immediately stop play and have all players off the courts until he/she feels it to be safe to resume play. If the weather remains severe, team captains are responsible for recording the score and bringing it to The Oasis Beach Volleyball Coordinator. The Oasis will attempt to reschedule any games that are cancelled due to inclement weather, but do not make any guarantees.

1.4 Volley Ball Co-ordinator

The Oasis Beach Volleyball Coordinators are responsible for over seeing games and providing information and mediation. The coordinator has the authority to ask an individual or team to leave the game or facility if they feel there is any form of inappropriate behaviour. Any abuse, verbal or otherwise, of the beach volleyball coordinators and/or facility employees, and/or other participants, can result in the immediate removal of the individual or the team and from the league with no refund.

Section 2 – Teams

2.1 Rosters

2.1.1 Roster Sheets

A complete team roster (names printed and signed, full addresses, residence and business phone numbers & e-mail addresses) must be supplied by the first game and all teams are required to register every player by signing the team roster. There will be absolutely no additions to any team rosters unless initiated and authorized by the league administration for extenuating circumstances. Teams must ensure that only registered players play in any game throughout the season; if a team disregards this rule by using an unregistered player, their game can be automatically defaulted and a possible six (6) game suspension can be levied to the team representative. Failure to provide the team roster by the first game could result in a score/default penalty at the beginning of each game that the roster is missing.

2.1.2 Age of Roster

All players must be at least **19 years of age** to play in leagues; otherwise a signed parental consent is required.

2.1.3 Playoff Eligibility

2.2 Captains

Each team shall appoint a team rep for purposes of communication with league officials. All inquiries are to be reported through the team representative. It is the responsibility of the team captain to ensure that all team players are made familiar with the rules of the Sports Village and the Oasis League.

2.3 Divisions

Every effort will be made to ensure proper placement of all teams throughout the season to promote parity.

Individual registrants will ensure that they are paid in full prior to the start of the first game. Payments can be made either at the League Gazebo located next to the courts; or, at Guest Services located at the front of The Sports Village. Failure to comply with the payment schedule will result in expulsion from league play and forfeiture of any payments made. **The Financial Policy will be strictly enforced.**

2.7 Defaults

Any team which does not meet the player minimum requirements is in a default position. The opposing team has the choice as to whether they want to play the game regardless of minimum player requirement violation and have the result count or to walk away with a 2 - 0 automatic win.
