OUR IMPACT IN THE CITY OF VAUGHAN

By becoming a partner, we will provide your company with the following:

Local Advertising

The Sports Village welcomes over 2 million people into our facility annually. Our team will customize an advertising package to help you build awareness around your company and services. Our facility is the perfect place to engage your business within the community. It allows you to interact directly with local customers and build collaboration with partners who can help you address those needs.

Brand Exposure

Developing your company name as a local business is one of the advantages of advertising at The Sports Village. If people see your ad consistently in their community facility, they will be more likely to remember your company when they are ready to buy the type of products or services you provide.

Promotion

Local business owners need to think about the goal of their advertising. Whether you want to add customers, raise awareness for an event, solidify brand identity, or introduce a new product, The Sports Village can provide you with the advertising opportunities to meet those needs.

Patron Interaction

Our marketing team will help you learn about your customer needs, wants, and goals. When businesses understand their customers well, advertising and marketing becomes that much easier. Our marketing team can help you do this through the use of social media and by interacting directly with your customers at The Sports Village.
